

Final Inspection Kit List

General Items

Always handy to have these items on hand as they may help resolve any issues with the final inspection.

Vacuum – dust seems to appear from nowhere when furniture is removed.

Steam Cleaner – if anything needs a blast to get it clean then paper towels to finish.

Hammer – remove any nails or picture hooks.

SpakFilla – easy to use, fills small holes quickly.

Phillips Head screwdriver

Flat Head screwdriver

Broom – sweeping or removing cobwebs.

Mop

Step ladder – reaching heights or changing a light bulb

In the Bucket list

For any last minute requests while doing the final inspection, have these items tucked in your bucket to ensure you can 'fix' the final request/s.

Bucket

Gloves

Sponge

Paper towels / old rags

Stainless steel wipes

Bag – for any rubbish

Window squeegee – quick touch up – use paper towels to finish.

Scrubbing brush

Dishwashing liquid

Gumption – spot cleaning, be gentle when using this product, it can be abrasive.

Jif cream – for those greasy spots.

Dust Pan
